**DEALING WITH CONFLICT WEBINAR**  
**Rev. Christy Drechsel to facilitate a Webinar on Dealing with Conflict in the Church**

**FOR IMMEDIATE RELEASE**

**Edmond, OK (November 30, 2017)** -- On January 17, 2018, 10-11am (CST), join Rev. Christy Drechsel, for a 60-minute interactive webinar session discussing the best practices in church conflict resolution and reconciliation practices.

According to a recent leadership survey, 95% of churches experience some level of conflict. The good news though, 94% of those churches report positive results when the conflict is handled effectively. Fear of confrontation and of the unknown drives people to avoid conflict. This training is aimed at taking the fear out of the situation so that reconciliation is possible by examining these topics: the dynamics of conflict, the theology of conflict, examining biblical examples, and understanding conflict reconciliation “Ground Rules”.

This training is intended to help the church in anyway. Therefore, whomever the church feels will benefit from a deeper understanding is invited to join the conversation. This may include: Elders, Board Members, Pastoral Relations Committee Members, and Church Staff.

To reserve your seat to this webinar, go to [www.adminisministry.com/shop](http://www.adminisministry.com/shop), click on Dealing with Conflict to register. The cost is \$20 a person.

**About AdminisMinistry, LLC**

**Our vision** is to serve God through resourcing leaders and that guides everything we do. With pastors in our leadership, we understand how important it is to have a theological grounding in your administrative practice and we take that seriously. We do what we do to serve God. We want to help you do what you do better so you can serve God and God’s people to the best of your ability. We don’t want you to waste a single resource – time, money, supplies, people, etc.

**Our mission** at AdminisMinistry is to equip leaders in the best administrative practices and coach you to use them. This allows you to spend less time spinning your wheels and more time doing highly effective ministry.

Over the last few years, AdminisMinistry has had the opportunity to facilitate educational opportunities for leaders at events across the United States, serving congregations locally, regionally, and in partnership with other organizations such as the Christian Church (Disciples of Christ), The Pension Fund (Christian Church) and The Church Network (National Association of

Church Business Administrators). Let us help you be the best minister or ministry leader possible! Learn more at [www.adminisministry.com](http://www.adminisministry.com).

### **About Rev. Christy Drechsel**

Rev. Christy Drechsel graduated from Brite Divinity School in May of 2012 and was ordained the following August. Prior to her studies at Brite, she received a Master of Science in Human Resources and Training with an emphasis in Conflict Management from Amberton University and a Bachelor of Science from Texas Christian University in Speech Communications. Like many ministers, Christy ran from her call for quite a while. In that time, she managed a hotel

and sold tile. What she didn't realize is that while she thought she was running from her call, God was in control, walking her toward a better understanding of that call. All the experiences in those years has informed who Christy is as a minister today and deepened her call to walk alongside congregations during difficult times and transitions.

Christy has served First Christian Church of Fort Worth in various roles since 2009. As Associate Minister there, she has the privilege of not only serving the congregation, but also those who come to the Community Eye Clinic which is housed in the church and serves the under-served in our community. She also serves as the Trinity-Brazos Area Minister of Nurture. Through this call, Christy works with the Camp and Conference program, leads the Area Shepherd program which provides clergy support, and facilitates various training opportunities. When she is not spending her hours at the church, she is enjoying quality time on a lake somewhere in North Texas with her husband, Mike, and daughter, Avery. And of course, she doesn't miss a TCU Football game, GO FROGS!
