

# General Conference of Disciples Men Annual Meeting *with Rev. Dr. Irvin Green*

**March 2nd – 4th, 2018**

**Camp Christian**

**10335 Maple Dell Rd., Marysville, OH 43040**

The workshop, "What's in Your Toolbox" is based upon two assertions. One is that Jesus did a lot of ministry with fishermen. The other is that a lot of men love to fish. Together, will explore how doing things that we love to do can result in both success and enjoyment. The theme question (What's in your toolbox) will be used to identify the resources that we need or already have to strengthen our ministries for men and by men.
