Brief Description of the sponsoring organization including relationship with Christian Church (Disciples of Christ):

If not a congregation affiliated with the Christian Church (Disciples of Christ) please describe the organization including the type and makeup of its oversight body, including its diversity composition [gender, race, ethnicity, age, or disability] and how it relates to the Christian Church (Disciple of Christ) including the name of the DOC church/entity supporting the application:

Briefly describe current local community involvement and coordination listing groups supportive of this grant application:

Briefly State the Purpose of Proposed Project providing description of need including relative statistics: [For example, to provide support for children of all races and ethnicities to succeed in public school. Currently 90% of children in our school district pass to the next grade only 70% of African American children pass to the next grade]

Briefly describe current local community involvement and coordination listing groups supportive of this grant application and how this project relates to those activities:

What are the outcome(s) targeted by the project and how will they be measured? [For example, the percent of all children successfully passing from one grade to another in our school district will increase and the disparate percent of children of color not passing will decrease.]

List the goals for the project with measures and timelines: [For example: In year one, all children in the first grade identified as being at risk of failing will have a tutor by midterm. A friend/mentor will be made available for the parents of each child identified at risk to help them help their children by midterm through coordination with or establishment of a Parents as Teachers program.]

**Under each goal briefly state the actions steps planned to attain the goal indicating a timeline for each.
[For example, By September 1, meet with local school officials to gain their support. By October 1, develop a community-based group to coordinate and oversee the project involving a diversity of participants.]**
