## JOSH BELL

Rev. Joshua Bell is the Pastor at First Christian Church in Perry, Oklahoma, and he is the Regional Commission on Worship & Spiritual Growth Chair. While working on his Doctor of Ministry degree at Phillips Theological Seminary in Tulsa, OK, his research ignited a passion to create a new Chalice Worship and Chalice Hymnal for the Christian Church (Disciples of Christ). The collection and publication of data will be the cumulation of his 2023 doctorate research project. His desire is to recognize the precise moment the movement, now known as a denomination, first formalized liturgical practices. Josh is compelled to focus this new project within Oklahoma since Oklahoma was the first to gather and fund the collection of worship materials for the denomination in 1952.

The Chalice Resources website is intended to be a collection and resource site to receive worship content for The Christian Church (Disciples of Christ). Once collected, the content will be used to create a new Chalice Worship and Chalice Hymnal as well as other resources and tools for the Christian Church (Disciples of Christ) in Oklahoma. Oklahoma Chalice Publishing L.L.C. is a non profit subsidiary of the Oklahoma Disciples Foundation formed to manage and publish these materials.
