

By giving, YOU make  
**God's love** *visible*

Ephesians 5:13, Hebrews 11:3

Chalice Hymns #171 *God's Love Made Visible*, #134 *Emmanuel*

Nearly 50 years ago jazz master Dave Brubeck wrote *God's Love Made Visible* in his trademark 5/4 time. We still recite how God made what was invisible to be visible in Jesus Christ. Caring Disciples in our region make evident that He is our Movement for Wholeness in a Fragmented World. Emmanuel: God With Us. Brubeck gives us a litany of adjectives to ponder what God and we accomplish together.

*Incomprehensible!*

How can we gauge the energy from the sparks of Love when regional Disciples care for, support, guide, and are present for us all? God Grows Through Us!

*Invincible!*

Christ is present when regional Disciples stand together to speak prophetic truth amid barrages of hateful voices, policies, and injustices. God Waits for Us!

*Bountiful!*

When last minute sign-ups for our regional church camp ignite campers' and volunteers' faiths as all experience Presence together. Emmanuel: God in Us!

*Uncountable!*

Consider the joy of a new pastor found through Search & Call, regular worshipers, extended family, friends consoled, people fed! God works when we work!

*Surmountable!*

When a regional minister helps a church work through a difficulty, blockages become veins for life to flow to the heart again. Emmanuel: God Cares for Us!

*God among us!*

Praying. Yearning. Fulfilling. Loving. Praising. Opening . . . describes a typical Commission on Clergy meeting with persons feeling called to ministry.

We Dwell. We Bless. We Honor. We Love. We Bring. We Open. We Guide.  
We give gratitude for our Regional Ministries this Christmas.

Your Christmas Offering gift enables our shared ministry as Disciples in Oklahoma, providing connections and support for congregations and for clergy, in camps and retreats, through leadership gatherings and so much more as we follow the Way of Jesus together.
