Christian Church in Oklahoma Regional Board

It has been a meaningful year for the Northwest Area of the Christian Church in Oklahoma, filled with opportunities for learning, fellowship, transition, and celebration. As we look back on the past year, we are reminded that ministry is always changing, but our commitment to supporting one another and serving the church remains strong.

In September, the Northwest Area gathered for our clergy retreat at Roman Nose, where we explored the topic of artificial intelligence and its implications for the church. As technology continues to shape the world around us, it is important that we consider both the opportunities and challenges it presents for ministry. Michael, Ronnie, and Shannon led our presentations, and Gary, Chris, and I had the opportunity to lead vespers. It was a valuable time of learning, worship, and connection with colleagues who share the joys and challenges of ministry.

The Northwest Area also continued its commitment to supporting the next generation of church leaders by sponsoring a student to attend IAS next year. Investing in young people and encouraging them to explore their faith is an important part of the future of our church. We are grateful for the opportunity to help make this experience possible.

Throughout the year, our area ministers have continued to meet on Thursdays, with the exception of the summer months. We have gathered both in person and over Zoom, meeting in person most often at Central Christian Church in Enid. These regular gatherings provide an important opportunity to check in with one another, share resources, offer encouragement, and remind ourselves that ministry does not have to be done alone. Whether we are together around a table or connecting through a screen, these relationships remain an important source of support and community.

Across the Northwest Area, our ministers are experiencing new blessings while also navigating new challenges. Some are beginning new positions at different congregations, while others are searching for their next ministry setting and discerning where God may be leading them. Still others are celebrating the relationships, growth, and shared ministry they continue to experience in their current congregations. Each of these seasons brings its own questions, hopes, and opportunities. As an area, we continue to walk alongside one another through these transitions, celebrating successes, offering support during uncertain times, and trusting that God continues to work in and through our ministries.

Two of our special joys this year were celebrating the installations of both Michael and Shannon into new positions in regional ministry. These celebrations remind us of the many ways God calls people to serve the wider church and the importance of recognizing and encouraging those who take on new responsibilities in our region. We are grateful for their leadership and excited to see how their ministries continue to develop.

As we look ahead to Advent and the coming year, there is much to anticipate. Advent invites us to slow down, prepare our hearts, and remember that God is continually doing something new among us. That message feels especially fitting as we look toward the future of our congregations, our area, and the Christian Church in Oklahoma.

I am grateful for the ministers and congregations of the Northwest Area, for the relationships we continue to build, and for the ways we support one another through every season of ministry. May we continue to learn together, celebrate together, and encourage one another as we follow Christ into the year ahead

Commission on Clergy Annual Report 2026

The Commission on Clergy continues its important work supporting, preparing, and equipping ministers for faithful, effective ministry throughout the Oklahoma Region.

As we approach the end of 2026, the Commission is working with 16 candidates who are pursuing either ordination or commissioning. We are grateful for the opportunity to walk alongside these candidates as they continue their discernment, formation, and preparation for ministry.

Several important events and responsibilities are on the calendar for the coming months. The Ministerial Practices seminar for ministry candidates is scheduled for January 30–31, 2027, providing candidates with opportunities for learning, reflection, and practical preparation for ministry. This training is required for all ministry candidates under the care of the Oklahoma Region.

Healthy Boundaries continuing education is scheduled for March 5, 2027. This training supports clergy in maintaining healthy, ethical, and sustainable ministry practices. Healthy Boundaries education is required every 5 years for all ministers and candidates in the Oklahoma Region.

The annual standing process is also underway. Standing forms are due November 13, 2026. The Commission will meet in December to review and approve the submitted standing forms. 2027 standing cards will be distributed in late January.

This work would not be possible without the support and collaboration of our regional leadership. I am grateful to Regional Minister Rev. Michael Davison for his leadership, guidance, and continued support of the Commission's work. His efforts to bring me up to speed in preparation for this fall's work were helpful and necessary. I am also deeply grateful to Executive Assistant Ellen Spleth for her invaluable assistance, attention to detail, and organizational support. I can't imagine how hard my job would be without her. Michael and Ellen's leadership and partnership help ensure that the Commission can fulfill its responsibilities and serve our region's ministers and candidates well.

As we look ahead, the Commission remains committed to supporting the formation and well-being of clergy, upholding the standards of our ministry, and accompanying those who are discerning and preparing to serve the church.

Respectfully Submitted,

Rev. Kelley Becker

Commission on Laity Regional Board Report

October 16, 2026

Theological Table Talk: Praying at the Lord's Table zoom workshop was Sunday, October 11th was a good experience for all present. Dr Lisa Barnett and Dr. Warren Carter presented the event and the Associate Regional Minister Shannon Cook facilitated the meeting. We had fourteen registrations. There were thoughtful ideas and questions shared. The workshop explored how churches design both traditional and contemporary worship.

The Commission on Laity is working on the workshops for 2027 Empower and Equip at First Christian Church, Norman Oklahoma. The theme is Empowered by the Spirit: Leadership in Action, March 6, 2027. Registration at 9:00a.m. followed by workshops, worship and lunch. Rev. Milton Bowen will be our preacher at worship.

We plan to have additional zoom workshops, topics to be decided later, possibly in January and other times of the year.

Commission on Faith in Action

Report to the Regional Board of the Christian Church (DOC) in Oklahoma
Fall 2026

The Regional Commission on Faith in Action gathered online for the first time with a new chair and several new members on September 24, 2026

Those in attendance included …
Rev. Michael Davison, Regional Minister CCOK
Members:
Apostle Sharon Cosby, In the Spirit Christian Church (DOC) – Tulsa
Rev. Dr. Don Heath, Disciples Christian Church , (DOC) – Edmond
Rev. Anna Hubbard, Disciples Christian Church, (DOC) – Bartlesville
Rev. Bill Inglish, Ordained DOC Minister - Retired
Rev. Dr. Chuck Jackson (chair). South Grand Lake Christian Church (DOC) – Langley
Don Johnson, Central Christian Church (DOC) – Enid

The purpose of this initial gathering was to review the applications received for Reconciliation Grants and to create a budget for the distribution of funds. The balance on hand was $12,539.

Prior to the deliberations, members were presented with a proposal from Don Johnson to create an endowment fund for mission trips to be established with the remaining balance from the Caminante Mission resources. The account balance was $8,953.51. Don reported that donors had been identified who would raise the additional funds to bring the total to $10,000, which is the amount required to create an endowment with the Oklahoma Disciples Foundation. The proceeds generated from the endowment would be used to provide scholarships to members and clergy from Oklahoma Disciple churches for overseas and overnight domestic mission trips, such as to the Texas/ Mexico borders or state-side overnight trips for immigrant support projects. The commission approved this action by consensus.

Members were also informed of a time sensitive grant that had already been dispersed to 6th Street Christian Church (DOC) in Oklahoma City in the amount of $373.75. We were delighted to assist Rev. Jesse Jackson with the purchase of textbooks for a Black History Book Club he's organized for high school students.

The preponderance of our deliberations was devoted to the funding of Reconciliation Grants. The Commission received 10 applications from 9 churches, totaling $26, 598. With only $12,539 on hand, the consensus of the commission was to grant something to each church, knowing that we did not have the resources to fully fund any of the requests.

A discussion ensued as to how we might define the term "reconciliation." Those applications that more directly reflected that theme received larger grants. The group realized that more discussion is needed to clarify the scope of the grants in the future since the term "reconciliation" is subject to a variety of interpretations.

It was determined that a portion of the balance should be retained for requests that might occur during the year, so $2,539 was set aside and $10,000 was dispersed to the following:

Church	Mission	Grants
Disciples First, OKC	Love Thy Neighbor Interfaith Dialogue in the 405	1,500
New Covenant CC, OKC	Building, Belonging Advancing Racial & Economic Justice	1,500
FCC El Reno	Logos Ministry in a Multi Racial, Economically Vulnerable	1,500
Central Christian, Enid	New Shoes for African American & at-risk children	500
Central Christian, Enid	Enid Welcome Table	1000
FCC Duncan	Collaboration of Pipe Fitting for Child Care	1000
FCC Guthrie	Beyond the Box	1000
FCC Stillwater	Longest Table	1000
University Place, Enid	Buying Underwear for Clothing Closet	500
University Place, Enid	Sunday Morning Breakfast	500
	TOTAL	10,000

Future work of the commission includes continuing to encourage congregations to take advantage of resources that promote understanding and reconciliation. For example, assistance can be provided to churches with trips to Greenwood in Tulsa or the First Americans Museum in OKC.

Prayerfully submitted,
Chuck Jackson, Chair

The Christian Youth and Young Adult Commission helped facilitate another successful camping program for the summer of 2026. Camp in the Oklahoma region continues to be a place where different congregations, different campers, and different communities come together in an intentional space to model covenant, experience community, and engage with one another in meaningful ways. I am so thankful to the churches that continue to support our camping programs, to the adults that make camp possible, and the commission for continuing to evolve to serve the needs of our youth and families.

We had the following participation this year during the camping season:
25 Congregations
187 Total Registrations
Attendance by camp:
Chi Rho - 70
CYF Conference - 41
Discovery - 23
Junior - 53
52 Counselors & Directors
And we had 52 first time campers!

2026 was our second year to have Chi Rho camp at Canyon Camp in Hinton, OK. Overall it was a positive experience for the campers and adults. We are going to continue offering Chi Rho camp there for the foreseeable future. Junior and Discovery camps were hosted by Camp Christian in Chouteau, OK. And CYF Conference was once again hosted by Camp Tawakoni in Kansas.

We have several events planned in addition to camp in which our youth can further experience this intentional Christian community outside of the summer months including a Fall retreat, November 14-15 at FCC Midwest City. It's a Regional Lock-In! The theme is Thanksgiving: Unfiltered. All Chi Rho and CYF youth and their sponsors are invited to register for this overnight of fellowship, games, learning, worship, and an afternoon at Okana on Sunday.

Future camp dates for 2027 have been set by the commission and are as follows:
Chi Rho Camp @ Canyon Camp: June 7-11
Discovery Camp @ Camp Christian: June 11-13
CYF Conference @ Disciples Center at Tawakoni: June 14-18
Junior Camp @ Camp Christian: June 21-25
Theme: Do you Hear It?

Oklahoma Disciples Women Regional Board Report 2026
Marilyn Bohlender, President

DWLC held in January was not Zoom this year but in Orlando, Florida. Wendy Singleton, ODW Finance was voting representative and ODW Hispanic representative, Rev. Maria Garza was the second representative. The women who attend this meeting return with a new perspective. Normally, the ODW President attends but I have attended many DWLC meetings and other women need the experience; besides I was still dealing with a broken ankle.

In March ODW had a display table at the Oklahoma Regional Assembly in Edmond. ODW gave "Save the Date" info for ODW Fall Retreat 2026 at Camp Christian on Oct 2-3rd. The DW Blessing Box project was created and launched at this time. Half the money from this ministry goes to DHF and half to the Office of Disciples Women. Those participating are uplifted by thinking of their blessings at the end of the day as they add money to their box. This year the women from our churches will let me know how much money they sent. In a future *Regional Roundup*, I will report that Oklahoma women collected “X” amount for Blessing Boxes and churches involved. This ministry has been fading nationally. ODW found out we were doing this and will have their eyes on us in this endeavor. My theory is the DHF on-line system has you scroll to Blessing Boxes.

CADW stays strong with their four meetings a year highlighting a nonprofit for their program speaker at each. Each nonprofit besides the In-kind donations, receives about $1K from the offering. Encourage your women to attend because the worship and fellowship plus lunch for only $10 is worthwhile. They will need to RSVP the week before. You do not need to live in the Central Area to attend; Lawton ladies are excited to attend with me. Information is on Oklahoma Disciples Women Facebook and on our page of regional website ok.disciples.org. There are some vacancies on their cabinet that do need filled. By having a cabinet, the workload for these meetings is lighter and I am told they enjoy working together. CADW could also use more host churches as they rotate the location of the meeting throughout the OKC area.

ODW has ideas for a state meeting but finding a spring date that does not conflict and a church in the OKC area able to host over a hundred women has been a challenge. We also do not have Encounter, our state meeting, during a ROSES year.

ROSES is June 25-26, 2027 and the save-a- date flyer is out! It will be in Little Rock. The problem for Oklahoma is how do we keep our attendance strong. This is quite a distance for many of our women. This event has so much impact for our women that we need to pull out the stops to get them there! In 2024 they came back on fire! I have an idea that I am just starting to tell my officers. Keep this in your prayers

ODW Fall Retreat 2026 Oct 2-3rd was held at Camp Christian. Theme was “A New You! A Birthday Party!” based on 2 Corinthians 5:17. ODW stayed close to last year's format with many different presenters to keep it fresh. Schedule adjustments in the morning allowed for an additional block of workshops including a session exclusively for our clergy women. All seven of

the workshops this year were new presenters, many with new concepts. I will only mention a few; see my October Regional Roundup article for more detail.

In the afternoon Aanika Gillet's "Stages of Grief" session brought discussion of bringing grief groups to our churches. I would love to see sessions like Jenna Seeley's stretching and chair yoga with soothing music and tea lights brought to our church women groups throughout the year. I also wonder why we cannot have classes for all church members like Rev Beth Ann French's "Praying through the Camera Lens" that paired inspirational thoughts with images. What a draw it could be for church visitors!

There were also six key presenters during the weekend: Three spoke of how Christ worked in their lives: Assoc Regional Minister Rev Shannon Cook told her experience of Christ in her, causing her to step out of her comfort zone to the position she now holds. Rev Maria Garza added Bible Study to her Sat morning breakfast talk. Jenna Seeley spoke on Friday to give inspiration. Spotlight before lunch was Rev Donna Jackson speaking about her other job at Greenwood Women's Business Center. Anyone with an idea can be helped to start a business; this should be helpful to many and our clergy who are bi-vocational. Other presenters just as important were Rev Tara Dew with the Labyrinth and Rev Gina Jackson with communion service.

During lunch, voting on centerpieces and auctioning the centerpieces brought $777.10 for Camp Christian. Cinnamon Rolls from Camp Christian sales totaled $400. This year we did not auction Cinnamon Rolls but had Eric of Camp Christian provide 20 pre-cooked and frozen pans of six to sell for $20 each. Doing it this way saved time. The $20 price was set by ODW because it is the least amount that a pan of cinnamon rolls has ever received in an auction.

At closing I talked to the women about Phillips Seminary as our tech group tried to load the link. It was also great to have Aanika who verified what I was saying about the 100% scholarship for members of Disciples Churches.

By show of hands, the women are ready to do this again. Camp is reserved for Oct 1-2nd next year, The theme is already in place. I already have two volunteers to be part of the program next year. Cinnamon rolls and bacon here we come!

Oklahoma Disciples Foundation Report to the Regional Board

11/7/2026

The Oklahoma Disciples Foundation is pleased to report the following events, activities, milestones and achievements.

1. In 2026 the Oklahoma Disciples Foundation made annual distributions of over $1,000,000 to our endowment beneficiaries, the grant program and our custodial fund account holders. Over $243,000 was distributed from endowments directly to the Regional Church including both restricted and unrestricted funds. This was an increase from 2025 of over $19,000.
2. We made a record amount and number of grants through our grant program awarding over $240,000 to churches and programs across the State. This year the grant program awarded 100% of the request for each applicant for Senior Ministry funds thanks to the generosity of the Disciples Retirement Community of Oklahoma ("DRCO"). We anticipate further Senior Ministries gifts for the Grants program in 2027. Additionally, we have new endowments created to fund grants for church facility repair, early childhood or primary education, and mission trips. We continue to actively expand the Grants program and encourage every Disciple church to participate.
3. Assets of the Foundation passed $48,000,000.00 during the year. In addition to new endowments and custodial funds the Foundation's money managers have provided an excellent return on our investments of over 7% through September 30th and since inception our returns net of fees have been over 9% per year.
4. ODF has been present at clergy meetings, Regional and National Assemblies and other church events to provide information about what we do and why we do it. ODF staff have provided pulpit supply to churches requesting our presence. ODF has helped to advise on, install and repair church technology. We are supporting the creation of Oklahoma Worship materials.
5. We have advised individuals and churches on financial matters. We have prudently managed all things entrusted to us and have been transparent in everything we do.

The Foundation will continue to actively pursue ways to work together for the good of the church and the communities we serve. More information about the Foundation and its programs can be found at www.okdfdn.org.

Constitution and Bylaws Task Group
Report to the Regional Board
of the Christian Church (Disciples of Christ) in Oklahoma
November 7, 2026
Submitted by Rev. Susan Payne

The Regional Bylaws and Constitution Task Group was formed this year for the purpose of reviewing the Oklahoma Region's existing governing documents for possible revision, to make needed updates, and also to consider changes to bring the Region into alignment with the General Church's 3-year General Assembly Cycle.

Committee members were recruited this summer and approved by the Regional Board at its August 8 meeting, including the following:

Bryce Chitwood	FCC Sulphur (SE)
Dana Higeons	Forest Park CC, Tulsa (NE)
Rhonda Hudson	Disciples CC, Bartlesville (NE)
Janet Jones	Central CC, Enid (NW)
Stacy Minnick	FCC Norman (Central)
Rev. Michael Oberlender	FCC Chickasha (SW)
Rev. Susan Payne	FCC El Reno (Central)

Ex Officio Members:
Rev. Jesse Jackson, Regional Board Moderator
Rev. Michael Davison, Regional Minister and President

The Task Group held its first meeting Sept. 29 by Zoom with all members in attendance.

Scope of Work / Approaches
The committee discussed possible approaches to the task:

- Making necessary updates and revisions only;
- Reimagining governing documents and structure using the Region's "Connect, Equip, and Empower Disciples of Christ in Oklahoma to Love and Serve Like Jesus" framework as a starting point;
- Adopting a Constitution with Standing Rules similar to the General Church's approach; or
- A hybrid approach of options.

The group is exploring fresh construction of the documents, allowing it to investigate Oklahoma's structural needs, and drawing on the experience of other Regions, churches, and organizations that have already completed a similar process. It was agreed that the Constitution and Bylaws are theological documents that should reflect those of the Region's stated beliefs and purposes.

Review - Committee members are now closely reviewing the Oklahoma's Region's current Constitution and Bylaws, the Southwest Region's proposed documents (before their Regional Assembly this week), and current structure of FCC El Reno (teams are organized under their 3-part mission statement).

Survey - Committee will construct and conduct a brief survey of Regional Board and Staff Leadership, regarding the current Constitution and Bylaws, Regional Structure, and a few issues under consideration such as Assembly Timing and Officer Term Lengths.

Smaller sub-groups - being formed to begin work on the following:

- Constitution
- Assembly (including timing component)
- Board, Executive Committee, Officers, Regional Staff
- Commissions & Structure
- Administrative Groups, Areas, "Fellowships"
- Parliamentary Procedure and Amendments
